What is Takaful?

Takaful is a Halal and ethical way to fulfill your financial protection and savings needs which serves as an Islamic alternative to conventional insurance.

Contributions are distributed into two components, **Participant's Investment Fund (PIF)** for investment and **Waqf Fund** for protection against Wakalah fee(s). The amount in PIF is invested in Shariah-compliant business avenues to generate Halal profits. Contribution pooled in Waqf fund is considered Tabarru & is used to pay claims.
