

Family Sehat

The perfect solution for all Health Takaful needs

Takaful

Takaful is a Shari'ah compliant alternative to insurance. It is a community-pooling system based on the principles of brotherhood and mutual health wherein, participants contribute in a fund to help those who need it most in times of financial difficulties.

Family Sehat

Our health is subject to multiple risks in today's fast-paced lifestyle. To commit to the good health of our family and ourselves, it becomes essential to protect yourself by investing in a reliable health plan that includes medical outlay, laboratory test costs, medication, hospitalization costs, including critical illness. Healthy lifestyle is the key to a happy life, and one must be prepared to tackle health-related problems as and when they occur. Pak-Qatar's FAMILY SEHAT is the solution to all such needs.

Benefits Offered

Following Takaful Benefits are offered under this Plan:
